Flexible Working:
We want to help staff achieve a better balance between work and the rest of their lives and recognise that by doing so we will improve services. We have developed a Flexible Working Policy and guidelines which are designed, where possible, to give greater flexibility of when and where staff work and in their leave arrangements.

Arrangements are only put in place if there is team support and if service delivery is not likely to be compromised. These arrangements are not changes to contracts of employment and are therefore subject to change or revocation if service delivery is found to have been adversely affected.

The guidelines include:
- Extended flexitime
- Innovative Working Arrangements, e.g. 9 day fortights, jobsharing
- Occasional and regular homeworking
- Leave Arrangements, e.g. banking leave, unpaid leave for study or travel

If you would like to find out how the options might apply to you at this application stage please contact Human Resources at Aldern House and ask for a copy of our Flexible Working Policy.

Childcare Voucher Scheme:
The Authority operates a salary-sacrifice Childcare Vouchers scheme in conjunction with Computershare Voucher Services. This is a tax-efficient way for parents to buy childcare vouchers to use with a registered provider. Further details from Human Resources at Aldern House. This Scheme is not available to casual staff.
